

Catch the next wave with Repro Products...

# The NEW PlotWave

Simple, **green**, durable, all-in-one printer

Printing, copying and scanning just got easier for everyone. The next wave of all-in-one monochrome large format plotters starts with the Océ PlotWave® 300 system from Repro Products. It cuts energy usage in half, fits in small spaces and turns out page after page of documents - without missing a beat. All of this with the design, construction, and reliable service you've come to expect from Repro Products.

**\$15,500.00\*** PlotWave 300 Dual roll  
plot/copy/color scanning and Adobe Postscript

*Flexible leasing arrangements available*

\*With trade-in of any wide format printer or copier. Pricing excludes tax, shipping and installation. Introductory promotion expires August 31, 2009.
