

# AutoCAD® Advanced

**Objective:** Learn more advanced techniques and become more proficient with AutoCAD®. See the versatility of AutoCAD® with a range of options to achieve a particular result and discover which option may be better than another under given circumstances. Topics include Advanced Text Options, Creating Tables, Defining Dynamic Blocks, Creating Sheet Sets, CAD Management and System Setup and enhancing productivity with interface customizations.

**Course Length:** 3 days (24 hours)

## Day 1

- Advanced Text Options
- Working with Tables
- Dynamic Blocks
- Advanced Blocks & Attributes

## Day 2

- Output & Publishing
- Introduction to Sheet Sets
- Publishing & Customizing Sheet Sets
- Managing Layers

## Day 3

- CAD Standards
- System Startup
- Customizing the User Interface
- Macros and Custom Routines

- Lunch is included.
- Class is from 8:30 a.m. to 5:00 p.m.
- Students will receive a certificate upon completion.
- After completion of an entire class, students may audit the same class for one year, if space is available in the class.
- The entire class is purchased at one time, but individual days may be attended sequentially over several months.

**Share  
Ideas with  
Ease**

**Increase  
Productivity  
up to 44%**

**Improve  
Accuracy**

**Speed  
Documentation**

### Advantages to Training at Repro Products' Autodesk® Authorized Training Center:

- Learn from highly qualified instructors at our superior facilities.
- Receive Autodesk® recommended content from Autodesk® Official Training Guides.
- Get your hands on sample projects and exercises that emphasize real-world application.
- Earn a valuable certificate of completion that's recognized in your profession.
- Validate your product knowledge by getting Autodesk® Certified when you take a certification exam at Repro Products.

**Prerequisites:** AutoCAD® Fundamentals (or equivalent) and at least 80 hours of experience with AutoCAD®.

**Cost:** \$325 per day plus a \$100 fee for a manual which must be purchased for enrollment.

#### Continuing Education Units

Ask Repro Products about earning credits for mandatory Continuing Education classes (including the American Institute of Architects - AIA) and other professional development programs.

**Call 678-486-3171 to schedule your training.**
