

AutoCAD® Architecture Fundamentals

Objective: Formerly known as “AutoCAD ADT”, AutoCAD® Architecture is “AutoCAD® optimized for architecture.” In addition to all the standard AutoCAD® tools, it offers a host of features to greatly increase the speed and efficiency of architectural drawings. Work from first concept (conceptual design or mass model) all the way through to design development, working drawings, and facility maintenance.

Course Length: 3 days (24 hours)

Day 1

- Introduction to AutoCAD® Architecture
- Basic Wall Construction
- Creating Wall Openings
- Structural Design

Day 2

- Vertical Circulation
- Floors
- Roofs
- Fixtures, Furnishings & Equipment

Day 3

- Building Model Views
- Annotation
- Scheduling
- Creating Details

- Lunch is included.
- Class is from 8:30 a.m. to 5:00 p.m.
- Students will receive a certificate upon completion.
- After completion of an entire class, students may audit the same class for one year, if space is available in the class.
- The entire class is purchased at one time, but individual days may be attended sequentially over several months.

Prerequisites: A working knowledge of basic design/drafting procedures and terminology as well as Microsoft Windows XP or Windows 7.

Cost: \$325 per day plus a \$100 fee for a manual which must be purchased for enrollment.

Continuing Education Units

Ask Repro Products about earning credits for mandatory Continuing Education classes (including the American Institute of Architects - AIA) and other professional development programs.

Advantages to Training at Repro Products' Autodesk® Authorized Training Center:

- Learn from highly qualified instructors at our superior facilities.
- Receive Autodesk® recommended content from Autodesk® Official Training Guides.
- Get your hands on sample projects and exercises that emphasize real-world application.
- Earn a valuable certificate of completion that's recognized in your profession.
- Validate your product knowledge by getting Autodesk® Certified when you take a certification exam at Repro Products.

Call 678-486-3171 to schedule your training.
