

# AutoCAD® Fundamentals - 2

**Objective:** This course builds on AutoCAD® Fundamentals - 1 with more sophisticated methods to extend your knowledge of the program.

**Course Length:** 2 days (16 hours)

## Day 1

- Working Effectively with AutoCAD®
- Accurate Positioning
- Projects – Productivity Tools
- Working with Blocks
- Projects – Creating & Organizing Blocks

## Day 2

- Creating Templates
- Annotation Styles
- Projects – Drawing Setup & Utilities
- Advanced Layouts
- External References
- Projects - Drawing

- Lunch is included.
- Class is from 8:30 a.m. to 5:00 p.m.
- Students will receive a certificate upon completion.
- After completion of an entire class, students may audit the same class for one year, if space is available in the class.
- The entire class is purchased at one time, but individual days may be attended sequentially over several months.

**Prerequisites:** A working knowledge of basic design/drafting procedures and terminology as well as Microsoft Windows XP or Windows 7. AutoCAD® 2010 Fundamentals - 1 or equivalent training is highly suggested.

**Cost:** \$325 per day plus a \$100 fee for a manual which must be purchased for enrollment.

### Continuing Education Units

Ask Repro Products about earning credits for mandatory Continuing Education classes (including the American Institute of Architects - AIA) and other professional development programs.

### Advantages to Training at Repro Products' Autodesk® Authorized Training Center:
