

Jump Start 2012 Productivity with

FREE Training!

Combine the **POWER** and **FLEXIBILITY** of Autodesk's Design Suites with Repro Products' expert training.

Now through March 30th, receive FREE training in our regularly scheduled training classes with the purchase of each new license of Autodesk's Line of Design Suite Products* ([click here](#) for information on the Suites). The training (a \$975.00 value) will be conducted in Repro Products' Autodesk Authorized Training Center (ATC) with students receiving a certificate of completion at the conclusion of the class. If you purchase multiple licenses, you will receive free training for each new license purchased.

This offer is valid for Repro Products' Official Autodesk Authorized Training in January – April, 2012. Class is from 9 – 4 each day with an hour open for lunch.

Contact Repro Products at 678-486-3166 or send an email to sales@reproproducts.com to get started today.

*Valid only for new orders made in January – March 2012. The \$100.00 manual per student is not included.

FREE Training!

The following open enrollment 3-day classes are free:

- AutoCAD 2012 Fundamentals Part 1
- Revit Architecture Fundamentals 2012
- Revit MEP Fundamentals

If you choose to take either a Civil 3D (4-day) or Inventor (5-day) class, you will receive a 3-day credit toward these longer classes and be billed \$325 per day for the additional days over the 3-day voucher. Please visit Repro Products' website at: www.reproproducts.com/training.asp for additional training information and class schedule.

Minimum class enrollment is four students or the class will be rescheduled. Class registration is first registered, first enrolled and registration must be completed within one week of software purchase. Student cancellation after enrollment forfeits attendance, but a substitution may be made for another student from the same company. Training must be completed by April 30, 2012.

* Valid only for new orders made in January – March 2012. The \$100.00 manual per student is not included.

* Class times are 9 - 4 each day with an hour open for lunch.
