\$300 OFF
AutoCAD LT 2010

AutoCAD LT 2010: The industry standard in 2D drafting.

It's a fact. More professionals use AutoCAD LT® for 2D drafting than any other CAD software in the world. Which means if you want to draft like a pro, you need AutoCAD LT 2010.

And now you can get it at \$300 off the regular suggested retail price.¹

Saving \$300 is just the beginning:

- Boost your productivity by up to 35%.² Spend less time on repetitive tasks and more time on breakthrough design.
- Reduce compatibility headaches. With genuine DWG support — from the company that established DWG — you know it'll work almost anywhere.
- Stop worrying about your software. AutoCAD LT 2010 is the industry standard for 2D drafting and detailing. So you know you can rely on it.
- Get the competitive edge you need. Increased efficiency means the ability to take on more projects — and more money in your pocket.

Not familiar with AutoCAD LT? Try it for yourself with a FREE 30-day trial.

There are many reasons professionals choose AutoCAD LT for 2D drafting and detailing. To discover them for yourself — with no obligation — simply download a free 30-day trial today. And get the drafting tool used by professionals.

Repro Products, Inc. is a local Autodesk Authorized Value Added Reseller. We offer consultation, training and support. Working closely with Autodesk, we provide the best solutions for your design challenges.

Now you can get professional-level 2D drafting software without paying a professional-level price. Simply purchase AutoCAD LT® 2010 before January 15 to get the 2D drafting tools you've wanted and save \$300. It's that simple.

**The professional choice:
AutoCAD LT 2010**

**Save \$300 when you buy
before January 15, 2010.**
