

One of the industry's leading design software applications, at the right price.

## Get AutoCAD® 2010 for as low as \$1,995\* with the AutoCAD Term License Program.

Stay competitive. Stay creative. And get a little help to stay in the black. Take advantage of our flexible licensing and benefit from the latest tools for fast documentation, seamless idea sharing, 3D capabilities and much more. The AutoCAD Term License Program lets you gain immediate productivity without the commitment by providing you with a 12-month AutoCAD 2010 license for as low as \$1,995. You and your team benefit from top-tier design software as your workload calls for it, and you'll save money at the same time.

### New enhancements for AutoCAD 2010.

- **Parametric Drawing.** Save time and energy with the ability to keep everything aligned automatically.
- **Free-Form Design Tools.** Create 3D designs in almost any shape imaginable and push the boundaries of your creativity.
- **PDF Enhancements.** Generate higher-quality PDFs than ever before by importing and attaching PDF files to a drawing as an underlay.
- **3D Printing.** Produce physical 3D models and prototypes by connecting directly to 3D printing service providers or designers' personal 3D printers.
