WorkCentre® 5135 / 5150

High-speed performance, advanced capabilities and worry-free security — for one great price.

Ultimate performance

Maximize office productivity with the highest level of performance and advanced functionality.

- **Truly faster printing.** The advanced controller delivers the fastest effective network print speed in the industry. When printing everyday business documents, Xerox WorkCentre 5135/5150 multifunction printers print faster than the competitors' higher-speed-rated devices.
- **Experience true multitasking.** Multiple users can complete different tasks simultaneously – scan, print, fax and manage the queue.
- **No printing bottlenecks.** The Xerox-exclusive Print Around feature holds a job needing resources (such as a different paper size) and prints the next job in the queue. Plus, you can manage the job queue at the device by promoting or deleting jobs accordingly.
- **Smaller network-friendly files.** Scan compression technologies provide significantly faster transmission speeds while reducing network load and storage space on network and mail servers.

Select a job to get details or to perform operation		
All incomplete jobs		
#	Job Name	Status
1	Bob's Slides	HELD : RESOURCES
2	Ann's Report	PRINTING

Print Around feature keeps jobs moving.

Minimizing environmental impact

Value-priced and loaded with features to help you manage costs and support your workplace's environmental goals.

- **Increase sustainability.** The WorkCentre 5135/5150 multifunction printers take full advantage of Xerox remanufacturing expertise by reusing on average 60% of components by weight. Parts reuse in these printers is estimated to cut 500 lbs. of CO₂ and save 700 kWh – about the same amount of energy needed to operate the printer for one year.
- **Reuse benefits you and the environment.** Parts reuse allows the WorkCentre 5135/5150 printers to sport a substantially reduced price tag along with environmental savings. And you are assured that these parts meet as-new performance specifications for functionality, reliability and appearance parameters for the life of the product.
- **Upgrade for energy efficiency.** WorkCentre 5135/5150 multifunction printers deliver more savings by cutting energy consumption during use compared to older models. They meet the latest ENERGY STAR® qualifications*, and reduce energy required to copy, print, fax and scan by combining the functions of multiple products into one.
- **Save paper.** Reduce paper use by as much as half with automatic two-sided print and copy capability. Or, go paperless with powerful scanning features to manage documents electronically.

Advanced capabilities

Get more ways to print, organize, store and share your information than ever before.

- **Advanced copy and print features.** Annotation, Bates Stamping, ID Card Copy, tab print capability and page-level programming give your office more document options.
- **Cutting-edge scanning functionality.** Increase efficiency with Scan to Email for quick document distribution to multiple email addresses, Scan to Mailbox to store on the device and Scan to Home to send to a network folder.
- **Scan format flexibility.** Scan to searchable PDF or XPS formats for universal compatibility and easy archiving, organizing, searching and sharing.
- **Convert documents into text files.** Scan to PC Desktop® software option offers editing and document conversion tools, including batch creation of secure PDFs from all PC applications.
- **Store frequently printed documents.** The Capture/Print, Save & Reprint feature lets you store scanned documents directly on the device for reprint later.

WorkCentre® 5135 / 5150 Quick Facts

- Print and copy up to 35 / 50 ppm
- Powerful scan and fax solutions available
- Paper capacity: 4,700 sheets

Print / Copy / Scan / Fax

11 x 17 in.

50 ppm

WxDxH:
(Copier with OCT)

38 x 26 x 45 in.
955 x 650 x 1140 mm

- 1** Duplex Automatic Document Handler (DADH) automatically scans documents as fast as 60 spm.
- 2** 100-sheet Bypass Tray handles heavy paper up to 80 lb. cover.
- 3** Two 500-sheet Universal-Size Trays hold paper sizes up to 11 x 17 in.
- 4** Optional Envelope Kit provides feeding of 50 envelopes.

- 5** High-Capacity Tandem Tray holds a total of 3,600 sheets of letter-size paper.
- 6** Optional Finisher provides staple and hole punch capabilities.

WorkCentre® 5135 / 5150 Configurations

WorkCentre 5135

- Up to 35 ppm copier

WorkCentre 5150

- Up to 50 ppm copier

Options

- 256 MB RAM upgrade (copier only)
- Printer enablement
- Fax enablement
- Scan enablement
- Office Finisher
- Hole punch (for Office Finisher)
- Foreign Device Interface

Worry-free security

Ensure the confidentiality of your critical information with the latest in security and authentication features.

- IPv6 support includes full enablement of the new IPSec standard.
- Secure Print prevents unauthorized viewers from seeing documents by holding jobs in the print queue until the user is authenticated.
- Image Overwrite security feature clears or “overwrites” all trace of any document image data remaining on the hard drive after a print, copy, scan or fax job.
- Hard disk encryption ensures that unauthorized users can’t access stored documents.
- An internal firewall provides an additional measure of security, providing IP filtering, domain filtering and port blocking.
- Submitted for full System Common Criteria (ISO 15480) Certification. This certification ensures that the entire device, not just individual components, conforms to the most stringent security standards and regulations.
- Support for the Smart Card technology used by the U.S. Department of Defense for its Common Access Card (CAC)* system, which protects against unauthorized access.

* Available in the U.S. in certain configurations

WorkCentre[®] 5135 / 5150

	Copier	Copier / Printer	Copier / Printer / Scanner
Speed	5135: Up to 35 ppm ; 5150: Up to 50 ppm		
Duty Cycle	5135: up to 125,000 pages / month; 5150: up to 200,000 pages / month		
Device Memory	128 MB std / 512 MB max	384 MB std / 512 MB max	
Paper Handling Paper input	Standard	Duplex Automatic Document Handler (DADH): 75 sheets	
		Bypass Tray : 100 sheets; Custom sizes: 4.25 x 5.5 to 11 x 17 in. / A6 to A3; 16-58 lb. bond / 60-216 gsm	
	Optional	Trays 1-2 : 500 sheets each; Custom sizes: 5.5 x 8.5 to 11 x 17 in. / A5 to A3; 16-53 lb. bond / 60-200 gsm	
		High Capacity Tandem Tray : 3,600-sheet total (1,600 and 2,000 sheets); Size 8.5 x 11 in. / A4	
Finishing options	Envelope Tray Kit: 50 envelopes; Custom sizes: 7.5 x 5.4 to 10.9 x 10.24 in. / 190 x 138 to 277 x 260 mm		
	Offset Catch Tray : 300 sheets		
	Office Finisher : 2,000 + 250-sheet trays, 50-sheet multiposition stapling, optional hole punch		
Copy First-page-out-time	Convenience Stapler : 50-sheet stapling		
	5135: As fast as 4.6 seconds; 5150: As fast as 3.4 seconds		
Resolution (max)	600 x 600 x 8 dpi input, 4800 x 600 dpi interpolated output		
Copy features	Automatic 2-sided, Collation, Auto reduction / enlargement, Auto paper select, Auto tray switching, Image quality enhancement, Transparencies, Booklet creation, Multi-up, Invert image, Covers, ID Card Copy, Annotation and Bates Stamping, Build Job, Inserts and tab copying, Sample set, Job storage and reprint*		
Print Resolution (max)	Optional Upgrade Kit	Up to 1200 x 1200 dpi	
Processor		1.4 GHz AMD Athlon dedicated / 80 GB Hard Drive shared	
Connectivity		Ethernet 10/100 Base T, IEEE802.5 (Token Ring) [via adapter], Wireless Ethernet (IEEE802.11a/b/g) [via third party adapter], USB print	
Page description languages		PCL [®] 6, PCL [®] 5e emulation, PostScript [®] 3™ emulation, LCDS, SCS, XES and IPDS via third party transforms, and direct print TIFF, PDF, A/400 support via WorkStation Customization Objects	
Print features		Delay-, Sample-, Secure-, and Store-Print; Simultaneous rip, receive, program-ahead, queue-process and transmit; Bidirectional print drivers; Exception page programming; Tab printing; Embedded Web Server for remote control/monitor/setup; Job monitoring at device and at desktop	
Fax	Optional: Walkup Fax (33.6 Kbps, one-line [256 MB]) with JBIG compression	Optional: Walkup Fax (33.6 Kbps, one-line [256 MB]) with JBIG compression and LAN Fax	Internet Fax enablement, Network Server Fax enablement
			Optional: Walkup Fax (33.6 Kbps, one-line [256 MB]) with LAN Fax and Fax Forward to Email
Scan	Optional Upgrade Kit		Network Scanning with Email (Authentication and LDAP), Scan to Mailbox, Scan to Home, Scan to searchable PDF, PDF/A and XPS
			Optional: Scan to PC Desktop, SMARTsend
Security	Secure Fax	Secure Fax, Secure Print, 802.1x, HTTPS (SSL), SNMP V3, IPv6, IPsec, Network Authentication, Device Access Password Protection, IP Filtering, Audit Log, Disk Encryption, Disk Image Overwrite	
Accounting	Internal Auditor – Copy	Internal Auditor – Copy; Xerox Standard Accounting – Copy, Print, Fax	
		Optional: Network Accounting enablement (via 3rd Party), Foreign Device Interface	
Other options	Upgrade Kit to Copier/Printer, Upgrade Kit to Copier/Printer/Scanner	Upgrade Kit to Copier/Printer/Scanner	NA
	256 MB Pre collation Memory, Work Surface, Foreign Device Interface, Xerox Copier Assistant	Foreign Device Interface, Xerox Copier Assistant, Fax / Scan / Accounting Partner Solutions, Xerox Unicode International Printing, Common Access Card enablement	
Warranty	90-day on-site warranty, Xerox Total Satisfaction Guarantee		

*Not available on Copier Only model
