# WE PRINT IT ALL

## SMALL FORMAT COLOR AND B&W

Repro Products offers speedy turn-around on small format projects (projects with a sheet size of 12x18" or smaller), helping you finish projects in a timely manner. Small-format printing services also support your company identity placing your logo wherever you want it: branded folders, slick flyers, business cards and more. Customer-facing marketing collateral and promotional products drive brand recognition and lend your company credibility.

### Small Format Color and Copies Applications:

- Black & White and Color – Professional documents produced from your digital files
- Copy and Print 1-Sided Or 2 - Sided Documents– We complete any size job within your timeframe
- Paper Weight and Finish Selection – We will help you select the best media to produce the results you want
- Collate and Fold (Center and Tri-Fold) – Create the perfect size piece to convey your message
- Comb Unibind, Spiral Binding, 3 Hole Punch and Staple – We provide a variety of finishing options to produce attractive, long lasting documents
- Color prints up to 12"x 18"– Vibrant full-color flyers, brochures, proposals and more
- CD/DVD Duplication – Leave behind an electronic copy of your documents

## **PRINTING AND SCANNING**

If your print needs are LARGER than 12 x 18", Repro Products has the expertise, experience and best-in-class equipment to print those projects as well. In fact, we have over 40 years of experience in wide format printing! From construction plans to posters to banners and much more, Repro Products can handle your wide format print needs and ensure that your graphics stand out.

### **Our wide format options include:**

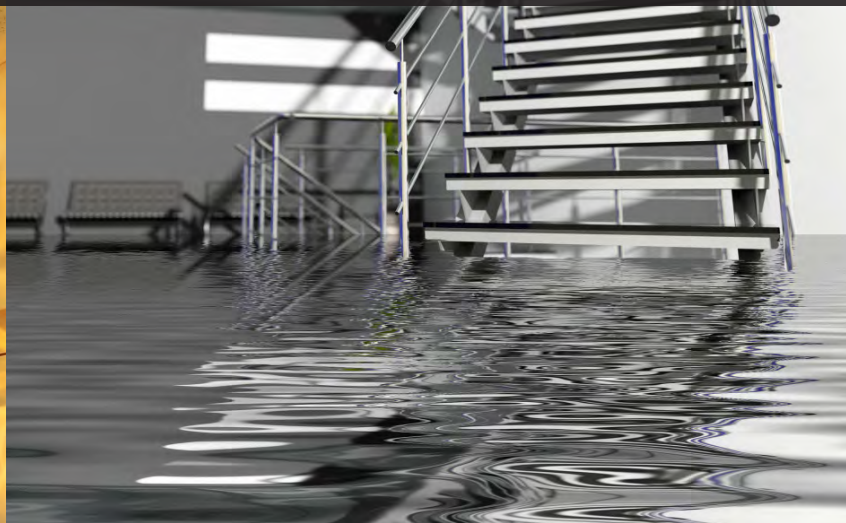

- Printing up to 60" wide
- Media options: coated bond, photo gloss, semi-gloss, bond
- Lamination and mounting
- Backlit materials
- Vinyl and fabric
- Thick backing such as foam core, gatorboard, sintra, coroplast or plexiglass
- Component choices such as frames, grommets, enclosures, mountings and stands

### **Protect your organization by acquiring digital backups of your documents**

Preserve the integrity of your data, reduce storage space and protect your documents from loss due to water or fire by allowing Repro Products to scan your old prints to digital format using large format scanning.

- Scan up to 44" wide
- Enlarge or reduce size
- Export to GIS, CAD and EDMS
- Labeling, indexing, and notation capture
- Clear version control
- Scan even damaged or fragile drawings
- Fulfill special instructions

## **Don't lose your data to fire, flood or other unforeseen disasters**

## GRAND FORMAT GRAPHICS

Repro Products is your source for a myriad of grand format graphics that provide the visibility you seek for your company. We offer jobsite signage, vehicle wraps, tradeshow graphics and all types and sizes of signage.

### Event and Tradeshow Displays:

We offer a vast choice of materials, surfaces and hardware to ensure your displays stand out from the competition. We represent products from a variety of manufacturers to suit your needs and budget. Our designers will work with you to fabricate the best graphics for your displays, providing the ultimate in turnkey design and branding flexibility.

### Wall Décor and Custom Solar Screens:

Let your walls and windows customize your space while communicating your message.

We offer a wide range of décor materials guaranteed to dress up any environment. Our

custom solar screens provide branding opportunity, enhanced curb appeal as well as cost savings by insulating windows and blocking sunlight.

### Vehicle Graphics:

We offer the highest quality vehicle wraps, applied by a professional installer, backed by up to a 3-year performance guarantee. Studies show 92% of people read graphics on wrapped vehicles and 75% of consumers develop impressions about a company based on fleet graphics. These are both reasons to ensure your vehicles are representing your company in a positive manner.
