COMMUNITY

The Feldberg Family Scholarship Fund was established in 2017 to provide financial assistance to the employees and immediate family members of Repro Products, 4ColorLaser and The Color Spot. Employees, their dependents and their spouses pursuing vocational training, technical training, or an undergraduate or graduate degree at an accredited institution are eligible to apply for the scholarship.

The scholarships are awarded annually by a selection committee comprised of a group of employees who volunteered to serve on the committee, as well as an independent volunteer board member and an advisor from the Cobb Community Foundation. The factors which are considered during the selection process include: Academic Achievement, Extra-Curricular/Sports Activities, Community Involvement and Work History as well as Leadership qualities.

If you are interested in contributing to the fund, please visit <https://tinyurl.com/feldberg-scholarshipfund>.
