We could all do with a little more certainty in our lives at the moment, right? We want products and services that work and things that come without a nasty surprise when the bill arrives.

That's why, when it comes to your printing needs, **the Kyocera Unlimited Plan** gives you one less thing to worry about.

It's just one simple monthly fee for all your printing needs.

## Why choose the Unlimited Plan?

In a nutshell, the beauty lies in its simplicity:

- Quick:** No initial assessments mean you can get up and running in an instant.
- Free installation:** There are no extra charges when it comes to installation.
- Unlimited:** One easy fee covers supplies, services and maintenance.
- Print, scan & fax:** Enjoy robust and versatile multi-functional devices.
- Low entry point:** Bring your own paper and get started with only your first month's payment!
- Flexible:** Choose from short-term, long-term and print/service plans.

\* Color and floor models are also available with the Unlimited Plan with low fixed-cost payments. Prices shown for 60-month term. Lower monthly cost may be available if the device is purchased upfront. Please review the terms and conditions with your Repro Products solutions specialist for full details.
