

PostBase[®] insight Auto

PostBase® insight Auto

The perfect mailing system for your growing business needs

The PostBase® insight Auto is a mid-level postage meter with the latest innovation in mailing system technology. This fully digital system is equipped with automatic envelope feeding, an exclusive SealCheck envelope sealer, and seamless connectivity for postage downloads and software updates. Our postage solution offers scalability to fit your growing business needs, and an intuitive icon-driven interface, so anyone in the office can use it. With the PostBase® insight Auto, you gain access to postal discounts and complementary digital solutions that make this machine a smooth-operating workhorse for your business.

USPS® IMI Approved Postage Meter

The PostBase® insight is a fully digital, Intelligent Mail Indicia (IMI)-compliant postage meter designed to fully meet all USPS® standards and requirements. Equipped with the most up-to-date IMI technology, the PostBase® insight includes a full set of USPS® postal rates and automatic downloads to ensure you always have accurate postal rates without any hassle.

SealCheck Envelope Sensor

Exclusive to FP's PostBase® line, SealCheck envelope sealers ensure security by validating that each envelope flap passes through the sealer. A sealing status light turns on to illuminate the sealing tank to indicate when sealing is turned on. The easy-view cover to the sealing tank makes refilling the sealant simple and efficient.

Convenient & Professional

- Postage available 24/7
- Metered mail discounts
- Full set of USPS® postal rates
